

SUPERB HOT-PRESSED FAMILY BIBLE.

PLAN AND CONDITIONS
OF THE
LARGE AND GRAND FOLIO EDITION OF
THE SACRED SCRIPTURES,

NOW PUBLISHING BY A GENERAL SUBSCRIPTION THROUGHOUT THE UNITED STATES,

AND WHICH,

FOR ITS GENERAL EXECUTION,

Has never been equalled in America;—nor excelled by the most eminent of the European Productions.

PUBLISHED BY JOHN THOMPSON, AND ABRAHAM SMALL, OF PHILADELPHIA.

SEVERAL months have elapsed since the Proprietors of the HOT-PRESSED BIBLE first laid their Plan and Proposals before the Public: in them they pledged themselves to produce an American Work, in the same splendid Style in which those Books have been printed, that in Europe have received general admiration and applause. The Specimen then produced, gained them in Philadelphia, the place in which it was first circulated, as respectable a Patronage as it was possible for that city to yield. Happily, what was at that time only contemplated, is now matured, and in a great measure fulfilled; most Part of the Work being completed: and the Proprietors only echo the unanimous voice of all who have seen it, when they say, it is the most grand and superb Book ever Printed on this side of the Atlantic. The Types, the Paper, the Ink, which are each of them of peculiar beauty, as well as all the Apparatus for Hot-Pressing, were procured from various parts of the United States: all that Art, Genius, Attention, and Expence, could do, has been united, to produce the Best Book in the best manner; that it may remain a National Monument of Typographical Elegance.

The Proprietors at first conceived, and experience has proved it to be just, that a Bible intended for a general subscription from all denominations, ought to be without Annotations of any kind: their plan is to make Scripture explanatory of Scripture; with this view, a complete set of Chronological Tables, and a General Index, will be printed at the end of the New Testament. And although it was not at first intended to give any Plates, it is now determined to engrave a Frontispiece in the best manner in which the most celebrated Artist they can find, will execute it.

It is unnecessary to say more on the Merits of the Performance, as it will be offered by one of the Proprietors for examination: The List of Subscribers, which may be inspected, will evince the general opinion which the Public has of their undertaking---they only add, it is the Cheapest Hot-Pressed Folio Bible ever printed.
