## Frequently Asked Questions

### How do I use the list?

The list you purchase will be delivered in .CSV file format, which you can open using Microsoft Excel, Apple Numbers or many text editors. This format is compatible with every email marketing platform such as Mailchimp, Aweber, Constant Contact, Vertical Response, and others. Simply import the list into your email system and you'll be able to setup an email campaign within minutes. You are responsible for sending emails in accordance with CAN-SPAM laws, such as including an unsubscribe link in every email. We recommend using an email marketing platform such as any of the ones listed above. Our favorite is [Mailchimp](#), which allows you to send up to 2000 emails a month for free.

### What is your refund policy?

Once you make a purchase you'll immediately receive a download via email of the list in CSV file format. Because of the digital nature of this product we cannot offer refunds.
